Hi Erin,
We'd be happy to welcome Hannah into our class.
I'll coordinate with Lea about where she's at with her exam prep.

Hi Stephanie and Lea,

I've had to move a student post showcase and pre-exam after a parent request. The concern was large group size and impact on individual attention, especially coming up to exam prep.

Hannah Taskunas will be joining your class, Stephanie, with Phoebe and Kyra. I hope that doesn't cause too much disruption to your routine. Hopefully that will make the lunchtime class easier for you too, Lea.

Good afternoon Erin,

Thank you for calling earlier today, it was nice to chat to you.

Confirming that I would like Hannah to commence Speech and Drama on a rotational basis on Tuesdays with Phoebe and Kyra, effective next week. This group will be a good fit for Hannah as the girls are from the same class. I have cc'd Hannah's teacher Louisa Kennard for her reference.

Please let me know if you require any further information.
